PRODUCT CATALOGUE

Plumbing Enhanced with Technology

We introduce ourselves as an ISO 9001:2000 certified manufacturer and exporter of

- Faucets, Taps, Mixers, Showers
- Faucet Spare parts, Brass Taps & Mixer head works
- Chrome Plated Brass Sanitary & plumbing fittings
- Brass threaded pipe fittings
- Brass Chrome Plated Bath Accessories
- Allied Brass and MS toilet fixing products

We have all in house manufacturing facility spreading over 22000 sq. ft. from casting, forging, machining, polishing and plating. We can produce monthly 40-50 MT of sanitary fittings of different segment with the support of 150 efficient workers.

We have wide range of taps, mixers, faucets and angle valves of Brass to satisfy variety of clients and project requirements.

We are also catering and producing faucets, mixers & tap bodies, Sanitary Fittings and other internal faucet parts as per buyer's specifications, samples and Drawings and also providing OEM services (conditions applicable).

Apart from a strong domestic market network, we have our presence in Middle-East, Europe and Africa.
